

You are Invited

Invisalign® Day

Dr. Gerald Bittner Jr. and Dr. David Boschken invite you and a guest to discover how Invisalign® can change your smile with clear removable aligners as an alternative to braces. This FREE Invisalign® consultation will include the following:

- Treatment consultation
- Photos of your smile
- Impressions
- Digital Panoramic X-ray
- Patient DVD
- 3D image of your case

What is Invisalign?

Invisalign is the clear way to straighten teeth. Invisalign consists of a series of custom-made, clear, removable aligners that move the teeth into the proper position. Have your treatment completed by Dr. David Boschken our Invisalign Elite (top 1% of all invisalign doctors) provider. Visit our web site for additional information. www.bittnerjrdds.com. Call today and discover the difference a beautiful, straight white smile can make.
