Actual Patient

Beautiful smiles radiate joy, excitement and natural beauty. Vibrant smiles exude confidence and open the door to new possibilities. As a leader in dentistry through clinical excellence and patient satisfaction, Dr. Gerald Bittner Jr. creates a lifetime of beautiful smiles for his patients and helps them discover the confidence that comes from a healthy smile.

A graduate of the University of the Pacific School of Dentistry and a member of its Board of Directors since 1992, Dr. Bittner Jr. lectures and teaches nationwide on "the art of creating beautiful smiles and micro laser dentistry."

"What distinguishes our practice," says Dr. Bittner Jr., "is the comfortable, warm environment and our commitment to providing exceptional dental care, patient education, and a highly trained team."

Dr. Bittner Jr. has twice been featured on ABC with Dr. Dean Edell, who dubbed him "the Rolls Royce of cosmetic dentistry" for creating

beautiful smiles and performing painless, needle-free laser dentistry. From complimentary spa treatments to state-of-the-art technology, they offer an exceptional patient care that is an irresistible combination to many patients.

Dr. Bittner Jr. specializes in the "Smile Makeover," which can transform ordinary smiles into extraordinary ones in just two visits. He is one of the very few offices in the nation to have an on-site Ceramic Artist, who works exclusively with Dr. Bittner Jr., designing world-class smiles that are

customized for each patient. Having a smile design or other restorative dentistry performed is a life-changing experience. "I was always hesitant to smile," says Al Audio, a patient. "Now I am proud to smile. My life has been transformed, and I am more confident. Thank you, Dr. Bittner Jr.!"
